OBJECTIVE

To get an opportunity where I can make the best of my potential and contribute to the organization's growth.

EXPERIENCE

Oct 2022 -

Goaira Technology Private Limited

Junior Software Developer

- * Led the design and development of the "Goaira Customer App," a ride-hailing application similar to Uber and Ola, focusing on user-centric design principles and intuitive user interfaces.
- * Designed a visually appealing and user-friendly mobile app, conducting user research, creating wireframes, and refining the interface through usability testing.

EDUCATION

2019-2023

SNS College of Technology

Information Technology/Bachelors of Technology

2017-2019

NSMVPS Higher secondary school

2016-2017

NSMVPS Higher secondary school

SKILLS

- Flutter
- Dart
- Java

PROJECTS

Goaira Customer App

- * Led the design and development of the "Goaira Customer App," a ride-hailing application similar to Uber and Ola, focusing on user-centric design principles and intuitive user interfaces.
- * Designed a visually appealing and user-friendly mobile app, conducting user research, creating wireframes, and refining the interface through usability testing.
